FOREWORD.

THE Publishers have pleasure in presenting the second issue of the "*BLUE BOOK DIRECTORY*" for Cambridge and District. They are gratified by the reception given to the first issue and by the generous appreciation of the book as it appeared in 1936, and they feel sure that the present edition will prove even more useful and interesting than its predecessor.

The plan on which the Directory is designed, by the arrangement of streets, trades and names of residents in alphabetical sections, renders it a quick and easy reference book and desk companion. A copious index of streets, terraces, courts, etc., is given.

In response to many requests from Traders an endeavour was made in 1936 to cover the immediate environs of Cambridge by the inclusion of Histon, Impington, Great Shelford, Little Shelford, Stapleford, Sawston, Fen Ditton, Milton and Grantchester. This year the book has been enlarged by the addition of sections dealing with Girton and Cottenham, and by information concerning new or extended streets on the outskirts of the Borough.

The section devoted to general information presents interesting features, and includes a wealth of information of many social activities in the life of Cambridge and District and the University. It is fully illustrated with photographs of his Worship the Mayor, and of the Aldermen and Councillors of the Borough, with the results of the recent municipal elections. Considerable additions have been made in this section to the portion devoted to Education, and many subscribers will welcome the list of Post Office collection boxes and times of last collection.

A new feature of the Streets section is the insertion of short paragraphs relating to the churches of the various denominations.

To the Charity Organisations of the Borough an offer of free space was again extended, and the Publishers hope that the work of the several organisations included therein may be furthered and assisted.

Every effort has been made to ensure the correctness of the information included in the several sections, and in this connection the Publishers desire to thank those Clergymen, Public Officials, and Secretaries of organisations who have assisted in the compilation of the Directory.

Suggestions made on the form provided at the end of the Directory for additions and improvements to future editions will be appreciated, and careful attention given to the correction of such errors as may be brought to the notice of

CHARITIES.

CAMBRIDGE CENTRAL AID SOCIETY.

OBJECTS.—The Office is used as a clearing house for information and co-operation. The Committee receive applications for assistance from people who are in distress, or who need guidance and help through some difficult crisis in life. When there is some particular local agency which can deal effectively with the individual difficulty the people are directed to it, or its assistance invoked directly by the Secretary of the Central Aid Society. Each case is considered carefully by the Case Committee, which meets weekly, and is representative of other charitable bodies, Addenbrooke's Hospital, and the different churches. Individual cases assisted include the care of orphans or children whose home conditions are unsuitable; help to the sick and aged, the latter chiefly through the organisation of a weekly pension. The desire of the Committee is to help people to become independent of help, and the assistance given may often be in the form of skilled advice apart from mere monetary help. The provision of a Poor Man's Lawyer is proving of great assistance in such cases. The Society also co-operates with the Municipal Authorities in enquiry work connected with the provision of milk through the Maternity and Child Welfare Centres and for School Children.

FUNDS.—The amount necessary to carry on the work varies with the number of applicants and nature and amount of help required. Monetary assistance is frequently given with the co-operation of other Societies and individuals. Expenditure in the year 1935 on Pensions was £296 6s. 2d. and on grants £118 9s. 9d.

OFFERS OF HELP.—Clerical assistance, help in visiting, gifts of money, clothes and blankets, etc., are all gladly received. Such gifts can be ear-marked for any particular case.

CAMBRIDGE AND COUNTY SURGICAL AID ASSOCIATION.

OBJECTS.—The assistance of the sick both in Town and County by the provision of surgical instruments, nursing appliances, invalid chairs, convalescence and other forms of help. The method of case work is carried out as for the Central Aid Society, and the co-operation and assistance of other Societies, Funds or individuals interested in the case is invoked. Each case is considered by the weekly Committee, which deals also with Central Aid Cases. The provision of artificial teeth is arranged at a low cost through a special panel of Dental Surgeons, the applicant being asked to contribute according to his capability.

FUNDS.—The amount required varies with the number of cases and form of assistance required. In 1935 expenditure on surgical appliances and dentures was £347 10s. 7d., and on Hospital and convalescence treatment £69 7s. 1½d.

OFFERS OF HELP.—Help with clerical work, in the visiting of invalids, conveyance to and from hospital, in the collection of small weekly payments, by gifts of money, convalescent "letters" and clothing especially for convalescent patients, are gratefully received.

COTTAGE HOME FOR LITTLE ORPHAN GIRLS.

(Fitzwilliam Road, Cambridge.)

OBJECTS.—This Charity was founded in the year 1870 with the object of providing a home, maintenance, and training for orphan girls. Children up to the age of 12 years are admitted. Preference is given to cases occurring in Cambridge and the neighbourhood, but orphan children anywhere, especially those in conditions of destitution or in morally undesirable surroundings, are at all times the object of the Committee's sympathetic consideration.

The girls are given a careful and thorough domestic training, and at the age of 16 years suitable occupation is found for them.

There is accommodation in the Home for 12 girls.

An amount of over £400 has to be raised annually to meet the needs of the Institution. A small proportion of this is provided by dividends from the investment of money bequeathed to the Home, but it is mainly dependent upon voluntary subscriptions. An addition to the number of regular annual subscribers is urgently needed; any amount, however small, will be gratefully received. Subscriptions and donations should either be sent to the Treasurer or paid to the credit of the Cottage Orphan Home at Barclays Bank, Bene't Street, Cambridge.

ELY DIOCESAN ASSOCIATION FOR WORK AMONGST THE DEAF AND DUMB.

This Association was formed by the late Reverend Charles Howard, of St. Philip's Vicarage, Cambridge, about 25 years ago. By his energy and work the Institute and adjoining house were purchased by voluntary subscriptions for about £1,000.

The Institute, known as Hope Hall, is situated in Romsey Terrace and the house adjoining, No. 8, Romsey Terrace, is occupied by the Missionary, Mr. H. A. Rowland, who is indefatigable in his ministrations and work amongst his people, and who is licensed by the Bishop to hold services in Church.

Services are held on Sundays and other days in Cambridge and also in outlying districts such as Wisbech, Downham Market, Gamlingay, and St. Neots, where a few Deaf and Dumb are to be found.

Fresh subscriptions are urgently required in view of expense (rather increasing), and the falling off of the number of subscribers by death or other reasons.

The Bishop of Ely is President of the Association and the Dean of Ely, Bishop Price, Archdeacon Knowles, Archdeacon Ward and Mr. W. H. Francis are Vice-Presidents.

The Ely Diocesan Board of Finance contribute £70 in support of this Mission, but otherwise the sums required for the Missioner's salary, Insurances, Repairs and general expenses, which amount to nearly £300 a year, are met altogether by voluntary subscriptions, except the interest, £3 10s. 0d., on the only investment (£100 War Loan, which the Association holds and which was given for a special purpose not yet within the compass of the Association).

The Honorary Secretary is Miss Pepper, of 28, Barton Road, Cambridge, and the Honorary Treasurer is Mr. Walter H. Francis, of 10, Peas Hill, Cambridge.

(Headquarters: Hope Hall for the Deaf, Romsey Terrace, Cambridge.)

OBJECTS.—(i) To provide for the spiritual and social welfare of the Deaf and Dumb, and to assist the Clergy of their own parishes in ministering to them; (ii) To search out all the deaf and dumb within the Diocese of Ely and keep a register of their conditions and circumstances; (iii) To visit the sick and others at their own homes, workhouses and the Mental Hospital; (iv) To render assistance in getting deaf and dumb children sent to suitable schools; (v) To assist the deaf and dumb in obtaining employment; (vi) To educate, as far as practicable, those who become deaf in later years.

Annual subscriptions and donations are urgently needed as it is necessary to raise £300 a year to enable the Association to carry on the work in the Diocese.

FELLOWSHIP HOUSE. (Fitzroy Street, Cambridge.)

OBJECTS.—The Building provides opportunities for recreation, reading, carpentry, etc., and its day to day activity is directed by Committees composed almost entirely of unemployed men.

Fellowship House is an old warehouse which in 1932 was converted into a Club primarily for unemployed men. Only unemployed men can join the Club, although once having become members they can retain their membership when in work.

The running expenses of the House are met from the membership subscriptions, the profits on the Canteen, and the takings on the Billiards Table. The Rent and Rates, and all unusual expenditure, are met from funds raised by the Advisory Committee. In order to maintain the House it is necessary to raise annually about £250, of which £120 goes in rent and rates.

Assistance of personal service, gifts of clothing, equipment for crafts or games and donations in money will be gladly received.

(Victoria Road, Cambridge.)

(Under the auspices of the Waifs and Strays Society.)

The annual expenditure is £1,000, of which £600 is raised by local subscriptions and by payments from parents or guardians. For the annual deficit the Home is dependent upon Headquarters' Funds of the Society.

In addition to financial help by subscriptions and legacies, valuable assistance can be given by personal service. Invitations to small parties of boys to private homes or places of interest are particularly appreciated. Further information will readily be given by the Hon. Secretary or the Master.

THE DISABLED SOLDIERS WORKSHOPS, LTD.

(Registered Office: Gloucester Street, Castle Hill, Cambridge.)
(Shop: 13, Trumpington Street.)

OBJECT.—This is an organisation registered under The Companies' Acts 1908 to 1917, as a Company Limited by Guarantee, not for profit. Originated in 1924 by the King's Roll Committee, but independent of that body with the object of assisting men of H.M. Forces, severely disabled during the Great War, to earn a living to supplement their disability pensions, by training and employing and disposing of their work.

This work consists principally of Cane and Rush work, basket work, mattress making and repairing upholstery and knitting. At the Shop are also obtainable fancy and other articles made by kindred organizations elsewhere—such as St. Dunstan's, Bournemouth, Clwydd Valley, etc.

The scheme is sanctioned by the Ministry of Labour, which has hitherto assisted by providing Training and Deficiency Grants.

It has also become affiliated to the British Legion which has made considerable grants towards the inevitable annual deficiency.

As a war disability of at least 50 per cent. is the least recognized by the Ministry of Labour, it is obvious that the Company can never be self supporting.

About £300 at least is needed annually to keep things going and the question of finance is difficult, as neither the Ministry of Labour nor the British Legion makes a guaranteed contribution. There is no investment Revenue. Subject, however, to the year's deficit being made good, the Ministry has hitherto contributed to the extent of not more than half the deficiency at a rate not greater than £35 per approved employee and the British Legion the other half.

The Public can assist the work

1. By visiting and purchasing from the Shop or Workshop.
2. By donations or subscriptions.
3. By assisting at Sales or helping with transport.
4. By becoming guarantors, i.e., members of the Company, which entails a donation of £1. The guarantee is limited to £5.

The Directors are:—

Lieut.-Col. S. G. R. Willis, D.S.O. (Chairman).
Lady Lenox-Conyngham, O.B.E.
Mrs. F. Jonas.
Miss Gaskell.
Colonel R. F. Gross, D.S.O.
Lieut.-Colonel Stratton, D.S.O., T.D.
A. Macintosh.
A. H. Wild.

C. C. Mason, O.B.E.
Captain S. W. Sykes, M.C.
Major Pillar, O.B.E.
Lieut.-Colonel Tebbutt, V.D.
Captain F. Cornish (Member of National Executive Council of the British Legion).
Captain G. Dale.
Colonel E. G. Peck.

The Hon. Secretary is Captain R. W. Smith-Stewart, Area Secretary, Home Counties and East Anglia Area Legion, 32, Station Road, Cambridge, Tel. 5385, to whom communications may be addressed.
Correspondence regarding sales and orders to the Manageress (Miss Costello) at the Registered Office.

The Ely Diocesan Branch of THE NATIONAL POLICE COURT MISSION.

OBJECTS.—The object of this Mission is to seek to effect, by the Grace of God, the reformation of all (irrespective of creed) who pass through the Courts. It advises and helps those in difficulties, especially those of a domestic nature, including "husband and wife" cases.

The Missionary is always present at the Borough Police Court, Guildhall, each day at 11 (excepting Wednesdays) and at the Shire Hall at 11 on Saturdays, or can be seen at any time at his private address by appointment.

This Mission is entirely dependent upon voluntary subscriptions and donations, and is badly in need of increased support to carry on this work in our own town and district.

The Missionary, who is a diocesan Lay Reader, will be pleased to accept invitations to preach, or address Meetings upon this work, also on the general work of the Society, at Mothers' Meetings or G.F.S., and assist in the formation of Bands of Hope.

LIST OF OFFICERS.

President: The Lord Bishop of Ely.

THE CAMBRIDGE GOOD SAMARITAN SOCIETY.

OBJECT.—The object of the Society is the relief of the Sick and Needy Poor.

The Society commenced its work in the year 1837. The average yearly income of the Society from voluntary subscriptions, donations and interest on a small sum invested is £100.

The whole of the Income, less cost of Printing, Postages, etc., is devoted to the relief of necessitous cases considered by the Committee.

To continue and extend the Society's work, fresh subscribers are wanted, as valuable financial help is always being lost through the death or removal of members.

The interests of the Society are in the hands of 9 Stewards, who have each a separate district of the Town allotted to them. In addition there are several voluntary Collectors. The Annual Report and other particulars can be had on application to the Hon. Secretary.

Honorary Secretary: Mrs. Morgan, 14, Kimberley Road.
Honorary Treasurer: G. H. Heffer, 8, Chaucer Road.
